## President's Letter

Dusten Russell, 2009 President

My tenure as president is almost over and I wanted to let you each know that it was an honor to represent PSSAT this past year. I got to work with some really great people and learned many new things about our organization. Being the president was a really rewarding experience, one that I constantly learned from and will continue to draw upon in the future. It was really gratifying to see how many of you were willing to pitch in and help out with various projects. It was also wonderful to see how many were able to pull off last-minute miracles! I would like to thank every member who volunteered to represent PSSAT this past year, whether designing, ordering, and distributing promotional supplies, posters, and fliers; giving speeches to school kids and adult organizations; recruiting new members; or creating ways to keep current members involved. Also thank you to the officers and committee members who spent long hours ensuring the survival of PSSAT. We have a really diverse and amazing group of people that have made it their goal to help PSSAT thrive and grow. I think it's safe to say that with dedication like yours, the Professional Soil Scientists Association of Texas will be around for quite some time. Thanks again to everyone for all your assistance!

Dusten Russell

## Information about the 2010 PSSAT meeting

This year's PSSAT meeting will be on Wednesday, February 3<sup>rd</sup> at the College Station Conference Center, 1300 George Bush Drive, College Station. A catfish dinner will be provided by Bobby's at \$12 per plate. The dinner fee does include the security guard so alcohol can be consumed on site.

**\*\*Reminder: BYOB!\*\*** Hope to see everyone there.

For those who are unable to attend the meeting, don't forget to pay your dues to:
